ABOUT THE STATE.

Items of Interest Gleaned From Our
Exchanges.An annual leave of absence of 15
days is now granted to rural fire
delivery carriers, with no deduction from
salary.During the thunder storm Monday
noon lightning struck a hay stack of
A. A. Byington's near J. A. Irwin's at
Charlotte, setting it afire, and it was
burned.Mrs. Chester Griswold, daughter of
Colonel Leonard H. Cannon of Burling-
ton, Long Island, will leave there at the
end of the month for Oveklake, her father's
place in Burlington.The Rev. Dr. George W. Phillips, long
pastor of the Congregational church at
Burlington, and Mrs. Phillips, have gone to
Shrewsbury, Mass., where they will
make their future home.An unknown man had a narrow escape
at Queen City park during the sudden
storm of Monday afternoon. He had
hired a row boat and had gone beyond
the point when the squall struck. The
craft was overturned and the man was
having a bad time when Joseph Peters,
proprietor of the boat livery, rowed out
and rescued him.E. G. Mason of Burlington has re-
signed the agency of the Equitable life
insurance society to accept a general
agency from the Massachusetts Mutual
life insurance company of Springfield,
Mass., the field assigned being New
York and western Vermont, and will
reside in Albany, N. Y., hereafter. Since
the death of W. H. S. Whitcomb of
Burlington, Mr. Mason has been the
oldest active life insurance agent in
Vermont, and was one of the oldest of
the Equitable agents, having begun to
write business for that society in 1871.

WEST TOPSHAM.

Mr. Clement has a plank in his plat-
form which reads "We charge the Re-
publican machine of Vermont with con-
tinuing the rotten borough system to
maintain its absolute supremacy." And
Mr. Clement pledges his best efforts to
secure an amendment to change the pre-
sent system of representation from towns
to districts. This means that your
town will have no representative in the
legislature; that your town will become
one of a chain of towns and that this
chain of towns will elect a representa-
tive. Will you stand for it? There's
just one way to avoid this Clement plan
and that is to vote the straight Republi-
can ticket—Adv.Rev. Lewis Dexter has gone on a vaca-
tion to Massachusetts.Benjamin Chalmers was in Groton
and Bradford Saturday.Leo McClure, Geo. Button and Eugene
Fellows have gone to muster.A. S. Jewett and wife and L. F. San-
born and wife are at Old Orchard Beach,
Me., for a two weeks' outing.Charles Wood and wife and son of
Orange were in the cemetery one day
last week. Mrs. Wood was in the car-
riage holding the horses, when she dropped
the reins. The horses started, going
over several lots. Mrs. Wood jumped
and the carriage was tipped over. The
horses were stopped before leaving the
cemetery. No damage was done.

POSTMASTERS TO CONVENTIONS.

Ten Days' Leave of Absence Granted by
Acting Postmaster General.A leave of absence for not exceeding

ters of second and third class offices
by Acting Postmaster General Hitch-
cock to enable them to attend the con-
ventions of the National Association of
postmasters of second and third class
offices and the Michigan association of
postmasters, to be held jointly in Detroit

Randolph State Normal School.

The Randolph State Normal School
will open the fall term on Tuesday,
August 22, twenty-eight. Admittance
for admission may be taken at
nine o'clock. Those holding teachers' or
certificates of high school diploma for
four year course will be admitted with-
out examination.A new catalog has just been issued
and may be obtained of Principal Chas.
H. Morrill.

Only Union Men Employed.

The Amalgamated Association of
Street Railway Employees has just
completed an adjustment of the rela-
tions which are to hold between the
Coney Island and Brooklyn Railway
company and its motormen and con-
ductors during the ensuing year. Some
changes were made in the agreement
over the conditions which existed un-
der the old contract. While these
changes are not of great importance, it
is worth noting that they are all to
the advantage of the employees.The scale under the new agreement
calls for a ten hour day, with wages
for motormen and conductors at \$2.25
per day. The line is to be absolutely
union, the company agreeing to employ
only members of the Amalgamated as
association.

Fisherman Hooks a Blue Jay.

Judge Arthur Darlington and Re-
corder Henry L. Yost of Montpelier,
N. J., had an unusual experience while
fishing in Brook Brook. In an extra
effort to throw the line far into the
stream the recorder threw it high in
the air, with the result that the books,
stickers and line became lodged in a
tree thirty-five feet high. The fisher-
man got a boy to climb the tree and
release the fishing tackle. When the
lad reached the limb on which the line
was entangled he shouted, "You've
caught a flying fish!" and descended
with his prize, which was fast to the
hook. An examination showed that
instead of a flying fish the recorder
had hooked a blue jay.

Gompers and Saloons.

President Gompers of the American
Federation of Labor has come out
strongly in condemnation of the policy
of selecting a saloon as the place of
meeting and headquarters of a union.
He took this stand in a letter to the
San Francisco labor council. The Mil-
lery union of that city was the offend-
ing organization.IN LOCAL

NATURE SPARES

The Stricken Rose From Grief.

What a fortunate provision of nature it
is that deprives the rose of mortal
suffering; for how poignant would be its
grief to discover, in the height of its
blooming glory, that a canker fed at its
heart, and that its beauty and fragrance
were doomed forever. Nature always
spares the suffering; she is a veritable
store-house of pleasing rewards, for
those who seek her aid. In the year-
gone-by falling hair and grayness have
cast a gloom over the lives of thousands
of young women, but thanks to the in-
vestigation of scientists the true cause of
hair destruction is now known to be
a germ or parasite that burrows into the
hair follicles. Newbro's Hair-Prepar-
ation absolutely destroys this germ, thus
permitting the hair to grow as natu-
rally intended. Sold by leading drug-
gists. Send 10c in stamps for sample to
